AMERICAN NUMISMATIC ASSOCIATION

66th Annual Convention

August 21-24, 1957

Sheraton Hotel — Philadelphia, Pa.

Welcome to Philadelphia

Welcome to Philadelphia and the 66th Annual A.N.A. Convention.

You have come here to have fun, to buy, sell, trade or perhaps exhibit coins; meet your old friends; and perhaps to see something of this city of Philadelphia which is so rich in history.

Whatever your reasons, the entire convention committee, from General Chairman Sipe on down, are here to help you, and extend their cordial greetings.

WELCOME TO PHILADELPHIA.

LEONEL C. PANOSH
President

Greetings

It is indeed a rare privilege for me to welcome you to the 66th Annual Convention of the American Numismatic Association, being held in the city of Philadelphia. Here you will find many national historical shrines which played such an important role in the early days of our country when we were struggling for INDEPENDENCE.

The Women's Activities Committee, the Men's Committees, the A.N.A. Officers, and the members of the Philadelphia Coin Club and clubs from surrounding areas in Eastern Pennsylvania and New Jersey, have all contributed in helping to arrange for this event. My sincere thanks are hereby extended to everyone who has served in any way to promote this convention.

We have the unique distinction of being able to welcome you at the New Sheraton Hotel, which will provide you with every comfort. We all wish you a very pleasant visit in this great City of Brotherly Love.

ARTHUR SIPE
General Chairman

More Greetings

We of the Philadelphia Coin Club and the other coin clubs in the Philadelphia area join in extending to all of you a most cordial welcome to the national association's 66th annual convention. Every effort has been put forth to make this gathering one of your most outstanding numismatic experiences, and we trust that it, together with your enjoyment also during these few days of the wonderful historical points of interest in our city, will leave your visit to Philadelphia always a cherished memory.
